**Lifeguards Plan Luau For Friday**

South Bay Lifeguards will sponsor a benefit luau Friday evening in Manhattan Beach. The luau will begin at 6 p. m. at the National Guard armory.

Continuous dance music will be provided from 7 p. m. until 1 a. m. by Ron Maury's Polynesian Playboys and the Kalua Serenaders. Two floor shows, slated for 9 and 11 p. m., will feature Hawaiian and Tahitian dances.

Tickets for the luau are available from the chambers of commerce in Manhattan, Hermosa, and Redondo Beach. Reservations may be made by calling FR 2-2162.

**Louk Heads Area Drive For Bowler**

Fred B. Louk has been appointed to head the campaign to elect Manley J. Bowler district attorney in Torrance, according to William B. McKesson, chairman of the Committee to Elect Bowler.

Louk is director of research of Corporation Counseling Service, with offices in downtown Los Angeles.

In accepting the appointment, Louk expressed concern about the rising crime rate in Los Angeles County and urged Torrance residents to join what he described as "the crusade by law-abiding people to elect Manley J. Bowler as our next district attorney."

**Realtor Explains New Tax Law on Sales Gain**

Under provisions of a new federal tax law, persons of 65 or older who sell their homes will be allowed a tax-free gain if the adjusted sales price is \$20,000 or less, Dell Wright, president of the Torrance-Lomita Board of Realtors, has announced.

"Adjusted sales price represents the sales price less the broker's commission and repair expenses, incurred within 90 days preceding sale and paid within 30 days of sale," Wright said.

"If the sales price is more than \$20,000, the gain is tax-exempt in the ratio that \$20,000 is to such price," he explained. "Thus, if the sales price is \$30,000 and the gain is \$12,000, the tax-exempt portion of the gain would be \$8,000."

UNDER SECTION 121 of the Internal Revenue Code, the seller must have owned and used the residence five of the last eight years, and such an exemption is available only once in a taxpayer's lifetime.

A widow or widower would meet the five-to-eight year test if the deceased spouse, had he lived, would have met the requirement, Wright said. However, the surviving spouse must be 65 or older for this exclusion to apply.

The new section applies to dispositions made after Dec. 31, 1963, for taxable years ending after that date, Wright said.

**Freeway Joins Harbor, San Diego Routes**

The Santa Monica Freeway will be opened to La Cienega Boulevard during the first week in November according to Supervisor Kenneth Hahn.

The new freeway will join the Harbor and San Diego Freeways in providing service to motorists of this area.

COOPERATIVE apartments qualify as principal residences under this provision. Where only part of the property is used as a principal residence during the five and eight year period, only the gain on the residential portion qualifies for the benefits of the new section, he said.

An individual is considered to be married or single according to his status on the date of the sale of exchange. An individual who is separated under a decree of divorce or separate maintenance on the date of the sale or exchange is not considered as married, he said.
